The Ministries Foundation

St. Paul Province - Sisters of St. Joseph of Carondelet & Consociates

Thank you.

For the past 30 years, the Ministries Foundation has been supporting and promoting the programs of the Sisters of St. Joseph that provide education services to immigrants and refugees, develop women leaders through social justice and works of service, provide health care to those without access, and nurture spiritual seekers.

The past year has certainly been challenging. The COVID-19 pandemic continues to have an enormous impact on daily living - from housing to rent to health. The essential services provided through our programs are meeting more demand than ever. The needs of the people we serve have multiplied. Our programs continue to adapt. Our health care, education and safe housing ministries now also provide more basic needs such as food and rent money. Our spirituality programs reach out remotely to those looking for spiritual guidance and healing. Our new St. Joseph Workers face new challenges as they work for justice. Through it all, Sisters of St. Joseph continue to show their love of God and neighbor without distinction, yet they cannot do this important work alone. They need all of us to join them in this great work.

Please make a bold move by donating today so that our network of ministries may continue to serve those in need.

Serving during a time of Pandemic

Sarah's...an Oasis for Women

The women of Sarah's are resilient and throughout COVID-19 have kept up with their studies, learned new ways to communicate with family abroad, and worked diligently to achieve their goals.

Sarah's mission is to help women heal and gain self-sufficiency. It provides a home, safety and dignity for a diverse community of 33 immigrant women healing from trauma, where they can begin new and productive lives.

Learning In Style School

A food shelf was established in the the garage of Learning In Style where students, their families, and neighbors to combat food insecurity in the Whittier neighborhood. All classes are now taught online with students receiving the same level of attention in their studies from a dedicated group of teachers.

Learning In Style School teaches newcomers English, math, computer technology and citizenship. Our teachers emphasize building literacy and understanding of civics in a supportive and respectful environment.

St. Mary's Health Clinics

With the establishment of St. Mary's Emergency Assistant Fund, the patients of St. Mary's Health Clinics now have access to additional funds to help with utilities, rent, and groceries. Patients also now have access to grocery bags of food when they come to pick up their medications.

St. Mary's Health Clinics continue to provide necessary and accessible healthcare free to low-income, uninsured individuals—including preventive and primary medical care, laboratory analysis, specialists, radiology and prescription medications.

St. Joseph Worker Program

The St. Joseph Workers continue to serve the needs of their communities at their placement sites and contribute to the good of their neighborhood. Connecting with other St. Joseph Workers around the country, virtually, has allowed them to form relationships with other women working to uphold the Sisters' mission.

The St. Joseph Worker Program empowers young women committed to social change with the real-life experience, spirituality and guidance required to successfully respond to the needs of the times. These highly engaged women amplify and exemplify the vision of the Sisters of St. Joseph in our communities today.

Serving during a time of Pandemic

Wisdom Ways Center for Spirituality

All programming is now online, allowing Wisdom Ways to reach a wider audience, focusing on Hope moving into 2021. Spiritual leaders from across the country continue to lead classes and meditations while people stay safe at home. Wisdom Ways inspires more than 6,000 people to explore the spiritual dimensions of contemporary life and to reimagine and embody all that women can be as agents of transformation in church and society.

Justice Commission

With a strong focus on getting out the vote, the Justice Commission is a coalition of more than a dozen focus groups working for policy change, rooted in the belief that justice is the work and responsibility of both the whole community and each individual.

Partners In Ministry Grants Awarded

The Ministries Foundation exists to support the network of programs of the Sisters of St. Joseph that provide help and hope to people in need. During this past fiscal year, the Ministries Foundation awarded grants totaling \$605,464 to five programs. Funding for these grants came from our Partners In Ministry Fund. In addition, the Foundation was able to fund three of the Sisters' programs with 25 grants totaling \$508,010 from its grant writing activity. Special events and miscellaneous restricted funds contributed \$720,641 to the Sisters of St. Joseph's network of programs this past fiscal year.

Granting money from its Partners In Ministry Fund and seeking grant money from local and national foundations, corporations, and government programs are ways the Sisters of St. Joseph Ministries Foundation helps ensure the financial health of ministries in which Sisters of St. Joseph serve. As a result, Sisters of St. Joseph have been able to expand their programs to meet the health, education, human service, and spiritual needs of people in the Twin Cities. Since 1998, the Ministries Foundation has raised and awarded more than \$19 million in grants.

St. Joseph Society

When you join our St. Joseph Society, you join the ranks of the following friends and neighbors who have remembered the Sisters of St. Joseph of Carondelet Ministries Foundation in their estate plans. It's an easy way to give generously to support the work of the Sisters of St. Joseph.

Sisters of St. Joseph welcome and thank all St. Joseph Society members for joining our mission to serve people in need into the future. We would be honored to add your name to this group of hope-filled, generous people. For more information about our St. Joseph Society, please call Ralph Scorpio at 651-690-7097 or email him at rscorpio@csjministriesfoundation.org.

Sisters of St. Joseph love God and the dear neighbor without distinction.

Sisters of St. Joseph ministries provide help, hope and dignity to our neighbors struggling on the margins of society. Their network and programs empower women and men, the young and elderly and those who seek physical or spiritual healing. Sisters of St. Joseph ask us to support them with time, talent and financial resources to help carry out their mission today and to extend their work to future generations. Please be generous. We need your help.

Donate at csjministriesfoundation.org

May you be blessed for the gifts you so generously give.

The Sisters of St. Joseph of Carondelet Ministries Foundation is a partnership among people who recognize the value of the mission of the Sisters of St. Joseph of Cardondelet. People seeking to make a difference in the lives of those in need generate and allocate funds to support present and future ministries of the Sisters of St. Joseph of Carondelet.
