

Thank You!

Without your gracious support we would be unable to do the work we are called to do — create a network of help and hope for those who need it most.

With your help we have been able to accomplish great things. Still, there is much to do. More and more people come to our ministries in profound need of material and spiritual sustenance.

We are working hard to develop new strategies to carry out our mission of service in “love of God and Neighbor without distinction.” Your continued help will make this possible.

May you be blessed for the gifts you so generously give.

Dear Friends,

Sisters of St. Joseph of Carondelet have been making bold moves in our community since arriving in Minnesota more than 165 years ago. With the help of thousands of unnamed collaborators, the Sisters have addressed the unmet needs of our neighbors by holding true to their core mission: “Find a need, take care of that need, and move on.”

With your help, the Sisters’ bold moves continue today. Their social services network, funded through your generous donations, includes free health clinics, education centers, housing and support for immigrant women escaping torture, leadership development for young women, justice advocacy, and spiritual and theological education and programs.

This Annual Report shows that while the Sisters of St. Joseph wholeheartedly continue to commit their lives to meeting the needs of those on the margins of our society, they do not do this work alone. All of us on the Ministries Foundation staff and Board of Directors are grateful that you are our collaborators today. Without each of you who so generously share your resources – physical, financial, and spiritual – the ministries that our neighbors need so much today could not be sustained.

The Sisters of St. Joseph of Carondelet, St. Paul Province, join me in thanking you and wish you a healthy, happy and productive year.

With gratitude,

Ralph Scorpio
Executive Director

Partners In Ministry Grants Awarded

The Ministries Foundation exists to support the network of programs of the Sisters of St. Joseph that provide help and hope to people in need.

During this past fiscal year, the Ministries Foundation awarded grants totaling \$501,317 to five programs. Funding for these grants came from our Partners In Ministry Fund. In addition, the Foundation was able to fund three of the Sisters' programs with 15 grants totaling \$389,402 from its grant writing activity. Special events and miscellaneous restricted funds contributed \$xxx,xxx to the Sisters of St. Joseph's network of programs this past fiscal year.

Granting money from its Partners In Ministry Fund and seeking grant money from local and national foundations, corporations, and government programs are ways the Sisters of St. Joseph Ministries Foundation helps ensure the financial health of ministries in which Sisters of St. Joseph serve. As a result, Sisters of St. Joseph have been able to expand and grow their programs to meet the health, education, human service, and spiritual needs of people in the Twin Cities and other communities in which they live and work. Since 1998, the Ministries Foundation has raised and awarded more than ***** in grants.

Mobilizing the Next Generation

The St. Joseph Worker Program empowers young women committed to social change with the real-life experience, spirituality and guidance required to successfully respond to the needs of the times. These highly-engaged women amplify and exemplify the vision of the Sisters of St. Joseph in our communities today.

A Safe Place for Women in Crisis

Sarah's... an Oasis for Women gives women a place to heal from trauma and the opportunity to continue vibrant, meaningful lives with networks of peace and friendship.
