

# MINISTRIES FOUNDATION

OF THE SISTERS OF ST. JOSEPH

## Annual Report 2022 - 2023

# Thank you.

With roots in Minnesota going back to 1851, the Sisters of St. Joseph of Carondelet are leaders, educators, builders, healers, and advocates who have dedicated their lives to responding to the needs of the times with compassion and dignity.

Today, that means teaching our newest immigrants, caring for the medically uninsured, working for justice, and providing community and opportunity for spiritual seekers.

Sisters of St. Joseph ministries - St. Mary's Health Clinics, Learning In Style School, Sarah's... an Oasis for Women, and Wisdom Ways Center for Spirituality - empower the disenfranchised, befriend the lost, assist those without resources, and support those seeking spiritual care. Always acting with justice and equity, their responsiveness and authenticity as valued community resources are well-known in the Twin Cities area.

Inflation has been especially hard on low-income families this year. We've responded with essential life-changing services such as education, housing, and healthcare. Your support is essential for the Ministries Foundation to sustain these programs started by the Sisters of St. Joseph of Carondelet, ensuring our services and programs remain strong and responsive as long as they are needed. Thank you for supporting us so that our network of ministries may continue to serve those in need.

# Opening Our Doors to Our Dear Neighbors

## Sarah's...an Oasis for Women

Sarah's... an Oasis for Women provides a safe home, dignity, resources and support for a diverse community of 30 immigrant women healing from trauma, where they can begin new, empowered lives. Women work and prepare for a sustainable future for themselves and family members not yet in the U.S. For those without jobs, Sarah's provides additional food and financial assistance and connects them to educational opportunities in the Twin Cities where they continue to develop skills.

## Learning In Style School

Learning In Style School provides quality education in English, math, computer, and citizenship in a supportive and respectful environment to immigrants and refugees from dozens of different nations annually, including recent arrivals from Ukraine, Afghanistan, and Ecuador.

## St. Mary's Health Clinics

St. Mary's Health Clinics provide free primary healthcare, education and resources each year to more than 2,000 uninsured, and many undocumented, patients in 6 clinic locations around the Twin Cities. Hundreds of healthcare professionals have volunteered more than 11,000 hours to ensure quality care for all.

## Wisdom Ways Center for Spirituality

Wisdom Ways Center for Spirituality creates open, accepting spaces that advance the spiritual growth, authenticity and fullness of life for all people. Wisdom Ways believes that each of us can call forth healing, growth, integration and expanded freedom for ourselves and each other. Come and engage your heart, soul, mind, and strength through our inclusive spiritual offerings.

## Justice Commission

With a strong focus on education, advocacy, and action, the Justice Commission is a coalition of more than a dozen focus groups working for policy change. Each group is rooted in the belief that justice is the work and responsibility of both the whole community and each individual.

# 2022 - 2023 Grants

## Partners In Ministry Grants Awarded

The Ministries Foundation exists to support the network of programs of the Sisters of St. Joseph that provide help and hope to people in need. During this past fiscal year, the Ministries Foundation awarded grants totaling \$679,960 to five programs. Funding for these grants came from our Partners In Ministry Fund. In addition, the Foundation was able to fund two of the Sisters' programs with grants totaling \$923,963 from its grant writing activity. Special events and other restricted funds contributed \$488,806 to the Sisters of St. Joseph's network of programs this past fiscal year.

Granting money from its Partners In Ministry Fund and seeking grant money from local and national foundations, corporations, and government programs are ways the Sisters of St. Joseph Ministries Foundation helps ensure the financial health of ministries in which Sisters of St. Joseph serve. As a result, Sisters of St. Joseph have been able to expand their programs to meet the health, education, human service, and spiritual needs of people in the Twin Cities. Since 1998, the Ministries Foundation has raised and awarded more than \$20.6 million in grants.

## **Sisters of St. Joseph love God and the dear neighbor without distinction.**

**S**isters of St. Joseph ministries provide help, hope and dignity to our neighbors struggling on the margins of society. Their network and programs empower women and men, the young and elderly and those who seek physical or spiritual healing. Sisters of St. Joseph ask us to support them with time, talent and financial resources to help carry out their mission today and to extend their work to future generations. Please be generous. We need your help.
